Numero cookie policy

Numero (Aust) Pty Limited (**"we"**, **"us"** and **"our"**), a company incorporated in Australia having its registered office at Studio, Level 2, 21 Shepherd Street, Chippendale NSW 2008, Sydney, Australia and we use cookies to improve your experience of our website numero.co ("**Website**") and its subdomains.

This cookie policy ("**Policy**") explains what cookies are, what we are using cookies for, and how to opt out from non-functional cookies.

What are cookies?

Cookies are small pieces of text containing small amounts of information which is downloaded to / stored on your computer (or other internet enabled devices, such as a smartphone or tablet) ("**your device**") when you visit our Website. Cookies help us remember information about your visit, like your country, language and other settings. They can also help us to operate our Website more efficiently and make your next visit easier. Cookies can also allow us to do various other things, as explained below.

What cookies do we use?

When you visit our Website, the following cookies may be downloaded to your device.

Strictly necessary cookies

Strictly necessary cookies are required for the administration and operation of our Website. Without such cookies, our Website (or parts of it) may not work properly. These include, for example, cookies that enable you to log in to secure areas of our Website. If these cookies are blocked or disabled, the Website's functions will not be available to you and you will not be able to use our online services. These cookies do not gather information about you that could be used for marketing.

Functional cookies

Functional cookies are used to recognise you when you return to our Website. They enable us to personalise our content for you, to greet you and remember your preferences.

Performance cookies

These cookies allow us to recognise and count the number of visitors/users of our Website and to see how such visitors/users move around our Website when they are using it. This helps us to improve the way our Website works, for example, by ensuring that users are finding what they are looking for easily.

Performance cookies we use are:

Google: We use Google services including Google Analytics to analyse our web traffic and the use of our Website. This data is aggregated. Learn how to opt-out of Google Analytics here.

Changes to our Policy

This Policy was last updated on 23 July 2019. This Policy may change from time to time and, if it does, the up-to-date version will always be available on our Website.
